

REMARKS

Claims 5-25, 30-50 and 53-65 are pending in the present application. Claims 1-4, 26-29, 51 and 52 were previously canceled. Reconsideration of the claims is respectfully requested.

I. 35 U.S.C. § 121

The Office Action requires a restriction to one of the following sets of claims:

- I. Claims 5-14, 30-39, 53 and 54, drawn to the input and replacement of abbreviated word forms in documents; and
- II. Claims 15-25, 40-50 and 55-65, drawn to updating a dictionary/glossary with new terms.

In response to the Restriction Requirement, Applicant elects invention II, claims 15-25, 40-50 and 55-65, with traverse. Applicant believes that searching one of the two groups of claims will necessitate searching the other group of claims in any event. Accordingly, maintaining both sets of claims in the same application so that they can be searched at the same time will not result in an increased burden on the Examiner.

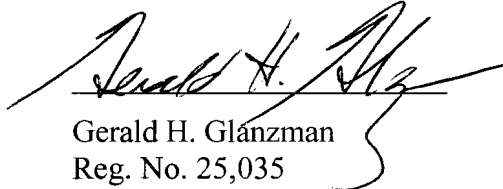

Reconsideration of the requirement for restriction, and examination of all the claims in the application is, accordingly, respectfully requested.

II. Conclusion

The Examiner is invited to call the undersigned at the below-listed telephone number if in the opinion of the Examiner such a telephone conference would expedite or aid the prosecution and examination of this application.
